Knights of Columbus Bowlers Jump Into First Team Place.

TENPIN MARK IS BROKEN

By JOHN A. DUGAN.

Five times seven and four equal thirty-nine. This is the margin that the Marquette team of the Knights of Columbus League gathered on the pins winners in the Atlantic Coast Bowling Association tournament last night when they smashed the little maples for a count of 1,515, as the high mark up to this time 1,475, established by the Miller Brothers' team of the German Cafe of Baltimore, on Thursday afternoon.

President McCann, of the Kay See bowlers, made good on all his promises of a royal good time for all present, and the Marquette team finished out the promises by coming through with a set of 1,515, which topped the team duckpin record by thirty-nine pins.

This crew of Marquette shooters, under the leadership of Capt. Howard, smashed the pins for keeps, and Mike McCormick, the guardian of the anchor job, after falling down in his first game came through like the veteran of old and tallied 127 in his final two attempts on the little maples and brought the Marquette's total to 1,515.

The Marquette, of the Kay See bunch, were not the only ones to jump into the limelight last night, as the Tiger team from Philadelphia put up a score for the teams to shoot at in the tenpin class when they tallied 2,576, which is nine pins better than the mark made by the Agriculture team on the second night's bowling.

The Cream of Kentucky team, of Buffalo, also did some remarkable work with the big pins as this team tallied 2,541 pins, which gave them third position, one pin better than the Royal, No. 2, of Washington.

Anchor Mike McCormick, of that Marquette crew, was easily the real feature of the evening, as he came through with a set of 340, which equaled the high individual set of the tournament to date. McCormick started out with a game of 86, but in his second and third attempts on the little maples he tallied games of 127, which brought his set up to the high mark of 340.

The matinee fans were greeted with some more sharpshooting again yesterday afternoon, when the high singles mark was broken and the second position in the doubles was tied by two bowlers.

GEORGETOWN TRIMS WILLIAMS COLLEGE

Hilltoppers Overcome Lead and Win Fourth in Row—Score 5 to 3.

With Finnegan pitching airtight ball during his seven-inning period on the mound, the Georgetown University baseball nine made it four in a row by winning from the Williams College team on the Hilltop yesterday, 5 to 3. Up to the last of the eighth, the visitors held the lead, but in this frame Debevoise weakened, and before the inning was over three runs were scored, giving the local team the margin.

Billy Hibbs Upsets Dope By Winning from Fast Field

By GEORGE B. MORRIS.

Bowie, Md., April 7.—Billy Hibbs, a 12-year-old horse, ridden by Watta, an apprentice jockey, "cleaned up" for the wise ones today at the Prince George track, when he romped home an easy winner by a length in front of Car-laverock and Nigardo. The latter was the medium of a heavy play, but at no time could he get near the winner.

It was a popular victory owing to the fact that it was the third race that the diminutive lad has ridden and he showed excellent judgment in this, his first victory.

In the opening dash Collet got home a head in front of Richard Carman's Paradox, while Trend dropped into the third notch.

Casaba came right back today and won the third number from Lady London by a head, who in turn was half a length in front of Taak. Casaba led all the way but was tiring at the finish and would have been beaten in another stride.

Rustling Brass repeated his double-headed performance today when he captured the following number by a head from Miss Waters. After winning he repeated his previous antics by running away three and a quarter miles. This seems to be a regular habit as in his last year, which he won, he ran away a similar distance.

Molly O was played for a hot thing today and she showed in her race that she was out for the money. She led the break to the head of the stretch where Col. Gutelius slipped through on the rail and won by a small margin, while Bob Redfield was third.

With better handling Redfield would surely have been closer up at the finish. The last race on the track was a flat finish between Harry Lauder and Ahara. The latter got the decision by a "nod," which was entirely due to the good ride he received. Little Forehand, who was in Harry Lauder, has a habit of looking around instead of going ahead about his business, and as a result he was nipped right at the post. He did the same thing on Wednesday when he was caught in a trap.

The attendance today was the largest so far this week, and the grand stand was packed. Society folk were out in large numbers, and while the card was a very ordinary one, several excellent finishes were in line, and good afternoon's sport was had. Summaries:

COLORED CLERKS ORGANIZE FOR SEASON

The indoor Interbureau Shooting Contest, which has been under way for the past two months at the range on Fifteenth street, resulted in a victory for the team from the Patent Office with the excellent score of 1,062. The Pension and Land Offices followed with scores of 1,052 and 1,054, respectively. This contest was held under the auspices of the Home Club Target Association of the Interior Department and has attracted a large number of employees of that department to the range every Thursday evening. L. E. Raymond, of the Pension Office, and D. E. Wilson, of the Patent Office, each scored 50 during the contest. Mr. Wilson is also tied for first place in the individual contest with J. C. Wheat, Jr., of the Patent Office, with a score of 28.

On Thursday, April 12, there will be a special five-men team match between the expert shots of the Land and Patent Offices, with a possibility that the Pension Office may enter a team at the last moment, under the captaincy of J. E. Parnin, one of the crack shots from that bureau.
